

Crab Paper Plate Puppet

1) Paint the underside of 2 paper plates pinky-orange. Optional: Paint both sides to ensure no white shows on the final puppet.

2) Cut ten strips of orange thin card or sugar paper approximately 2.5 x 29 cm.

3) Concertina each piece.

4) When the paint has dried, glue the legs as shown.

5) Cut out 2 claw shapes. Glue towards the centre as shown below.

6) Ask an adult to make a hole in the centre of the other plate and attach a piece of wool or string.

7) Glue goggle eyes to the top plate.

8) Glue or staple the two plates together.

9) When dry, you can enjoy walking your puppet along the floor.
