

Beaded Mardi Gras Jester Badge

Twist and bend hat pieces into shape.

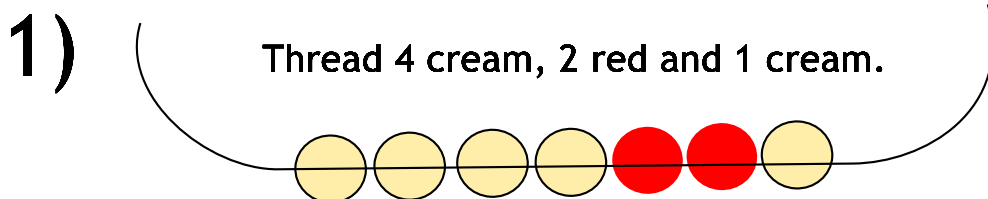

When complete use a glue gun to attach a brooch clasp to the back. (Younger children, please get an adult to do this for you!)

You will need 4mm beads with reasonably large holes in the following colours:

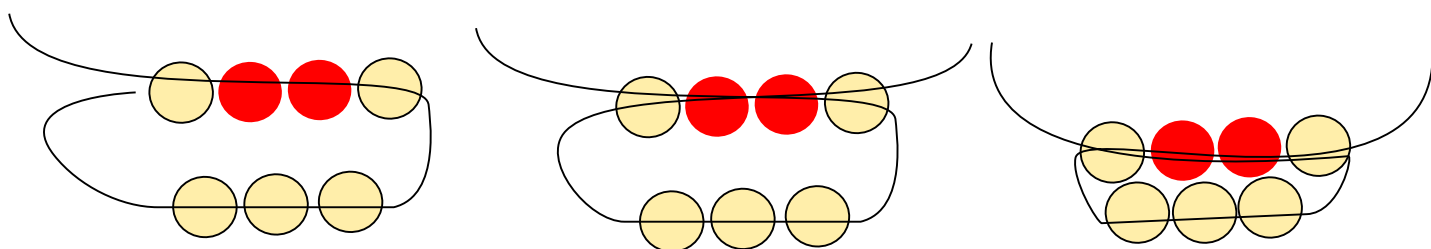

- | | | | |
|---|---|---|---|
|  |  |  |  |
| 4 x red | 2 x black | 21 x white/cream | 17 x gold |
| |  |  | |
| | 51 x purple | 33 x green | |

Beaded Mardi Gras Jester Badge

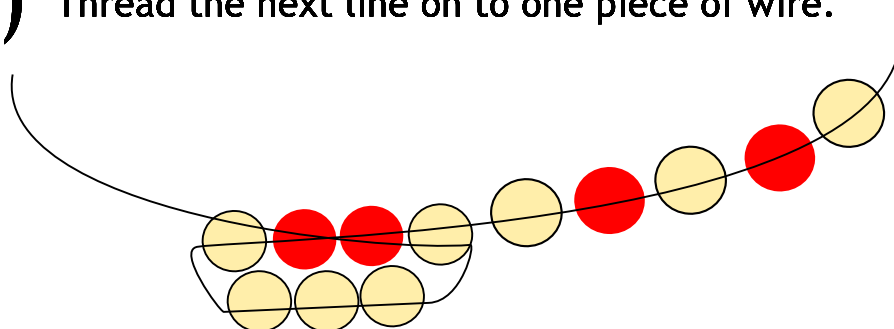

Getting Started

2) Bend back as shown. Thread through the second line and then pull tight.

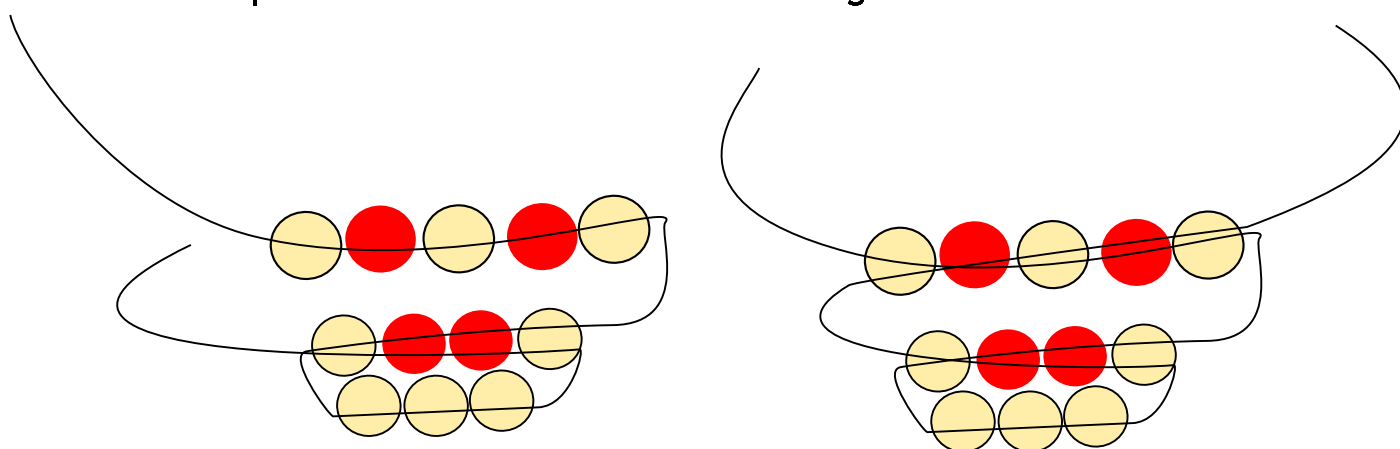

3) Thread the next line on to one piece of wire.

4)

Use the other piece of wire to thread back through the line in the other direction.

5) Repeat steps 3 and 4 until the second line of purple in the hat.

6) The pointy parts of the hat are not double threaded. Simply thread 6 purple/green, then 1 gold, then the other 6 purple/green and then continue with the next line as usual.
