

Paper Plate Shaker

- 1) Glue around the edges of a paper plate, leaving a hole as shown.
- 2) Leave to dry.

3) When dry, check there are no holes and add further glue if necessary.

4) Use a teaspoon to pour dried beans, lentils and/or rice to the centre of your paper plate.

5) Seal up the hole with more glue.

6) When dry, decorate.

Suggestion: Make this noisy shaker to celebrate Mardi Gras. Decorate with the Mardi colours of gold, purple and green.
