

How to Make a Clay Snowdrop

1) Break white clay into 6 pieces; three small and three large.

2) Roll each ball into a sausage shape.

3) Pinch each sausage to make it flatter.

4) Pinch the bottom of the 3 smaller petals together.

5) Attach the 3 larger petals to the outside of the smaller ones.

6) Curl the end on the large petals. **OPTIONAL:** Add green clay leaves and a stem.
