

Instructions for making a Leaf Rubbing Hedgehog

1) Cut the body shape from white, brown or cream card. Stick on the nose and a large goggle eye.

2) Gather several small leaves, paper and a brown crayon. (Freshly fallen leaves work best.) Place one leaf under a sheet of paper. Rub with the flat edge of the crayon, then cut out.

3) Repeat step 2 until you have lots of leaves. Stick them in rows as below:
