

Peacock Hand Painting Picture

Stick this eye or a goggle eye to the face

- 1) Cover a table with newspaper or a painting mat and place an A3 or large sheet of paper on it.
- 2) Put a small amount of green, dark blue, light blue and yellow paint into pots. You need 1 paintbrush for each colour.
- 3) Paint your hand as shown below.

- 4) Hand print an outer circle as shown. (Smaller hands will need more prints.)
- 5) Wash your hands.
- 6) Paint your palm as before but do not paint your fingers.
- 7) Add a second layer of handprints just inside the first. Continue to add layers until the area is filled.

- 8) When your painting is dry glue the body in place.
- 9) Optional: Add (using pen or paint) head feathers and a coloured beak.
