

How to Make an Easy Pom-pom Spider

You will need: 1 pom-pom (approx 50mm), 2 pipe cleaners, scissors, goggle eyes and tacky pva glue or a glue gun.

1) Cut the pipe cleaners in half.

2) Twist the four pipe cleaners together at the centre point.

3) Bend the pipe cleaners to make a spider shape.

4) Add glue to the top of the legs and stick on the pom-pom.

5) Add goggle eyes.
