

How to Play the Owl Dice Game

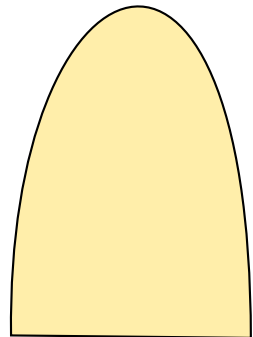

Roll 6 for the body

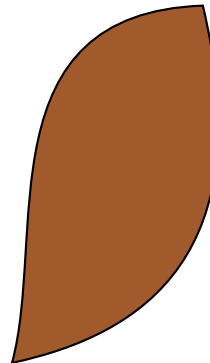

Roll 5 for the face

Roll 4 for the feet

Roll 3 for the tummy

Roll 2 for each wing

Roll 1 for each eye

Take it in turns to roll the dice. When you roll the number for a piece, add that piece to your owl.
NB: You must roll a 6 before taking any other piece. You must roll a 5 before taking the eyes.
The winner is the first person to complete their owl.
