

Echidna (an Australian animal) Cake

- 1) Cover a madeira loaf cake (approximately 600g) in a layer of chocolate buttercream icing.
- 2) To make the nose, push a chocolate mini roll on the front.
- 3) Add 2 chocolate buttons or similar for the eyes.
- 4) Break the contents of a box of Cadbury's chocolate fingers (or similar) in half.
- 5) Add the spines by carefully putting the chocolate fingers into the icing in layers, angled slightly back towards the rear of the echidna.
