

Matchbox Crocodile Instructions

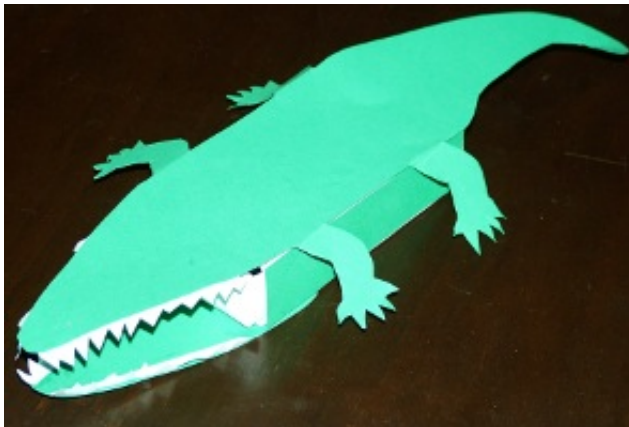

- 1) Cut out the template pieces from green or grayish green card.
- 2) Stick the rectangular green pieces to the sides of a large matchbox.

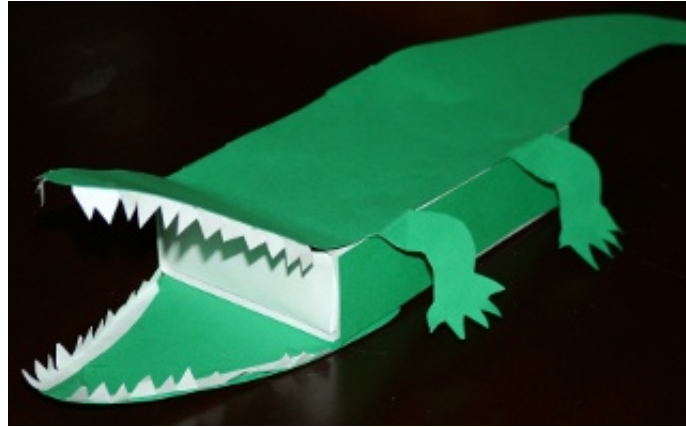

- 3) Stick the teeth to the top and bottom jaw. Tip: Glue the bottom part of the teeth down flat and then bend them up or down to make them 3D.

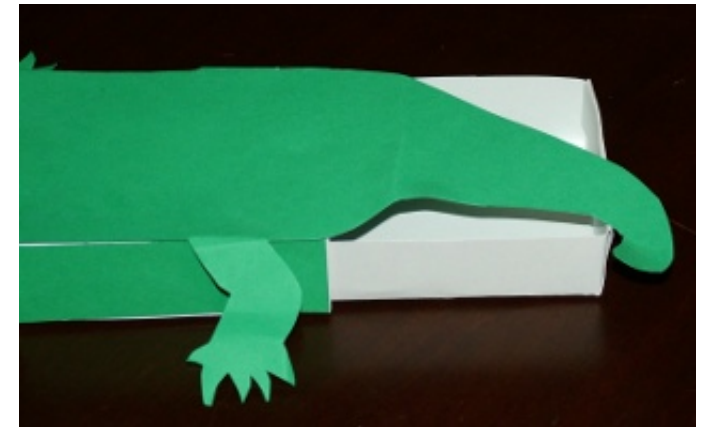

- 4) Glue the bottom jaw to the bottom of your matchbox.

- 5) Glue the crocodile body to the top of your matchbox.

- 6) Bend the legs, jaw and tail.
- 7) Add goggle eyes.

- 8) Use a dark green, grey or black felt tip to add scales and nose holes to your crocodile.
- 9) Optional: Glue your crocodile to a piece of card as part of a desk tidy. Keep items such as rubbers and pencil sharpeners in your croc.
